10th Annual BCU Veterans Helicopter Weekend

APRIL 18-21, 2024 • CIRCLE BAR RANCH • TRUSCOTT, TEXAS

*Come join us for a weekend full of fun, fellowship,
and adrenaline filled experiences!*

Big Country Veterans strives to promote awareness of our veterans' sacrifices and help foster healing environments designed to transform wartime experiences into positive memories for combat veterans and their families. Our annual Veterans Helicopter Weekend, located at the Circle Bar Ranch in Truscott, TX, is one way we achieve this mission.

During the event, not only will you fly and shoot invasive hogs over hundreds of thousands of acres with some of our nation's finest, but you will also have the opportunity to shoot numerous weapons (including fully auto) at our 1,000+ yard gun range, participate in axe throwing and 5-stand shotgun competitions, attend authentic ranch tours, and just enjoy the beautiful and iconic scenery of "Big Country" Texas.

Through the generous support of our sponsors, we can successfully carry out our ongoing mission of helping our veterans never feel conquered by life after service.
