2023 BCV ORGANIZATIONAL SPONSOR PACKAGES

In addition to the package items, your charitable contribution also helps support our private veteran experiences focused on our mission to create intimate healing environments for our veterans and their families.

These include, but are not limited to:

Veteran Family Retreats

Veterans and their families will embrace the true ranching experience as they participate in real-life ranching activities, such as branding, horseback riding, chuck wagon meals, and other tasks vital to ranching operations. They will join forces with the working cowboys on the Circle Bar Ranch in Truscott, TX and find purpose as they provide support for their families and “make a hand” to ensure the job gets done before the dinner bell rings. However, it’s not all work and no play. Throughout the retreat, they will also have the opportunity to participate in fishing, hiking, shooting, archery, and other outdoor activities as a family, all while soaking in the iconic and majestic scenery of “Big Country” Texas.

Operation Giving Back

Following their transformational experience during the Veterans Helicopter Weekend, BCV alumni will have the opportunity to continue their path of healing through an intimate hunting/fishing trip with a fellow warrior of their choosing. Veterans will have the ability to share their journey of growth and healing while spending time together in the great outdoors. Guided by feedback from our BCV alumni, we have discovered that the ability to give back and help support a fellow warrior in need has a powerful and long-lasting healing effect for our veterans.

“Seeing other veterans and spending time doing things we love together will always be a way for us to keep our heads and stay focused on the big picture in life.” - Chris Bova USMC (2019 BCV Veteran Alumni)

2023 BGV ORGANIZATIONAL SPONSOR PACKAGES

BCV Alumni Dinner

Once a year, BGV will host an annual BGV Alumni Dinner, in which all previous veterans who have participated in one of our annual helicopter weekends can converge for an evening of fellowship and camaraderie. Held in Dallas/Fort Worth, Texas, they will also have the opportunity to demonstrate their unique skills to their family/friends in attendance through replicated tactical training scenarios.
